BAYON

Ready for new heights.

The BAYON is a small-on-the-outside, big-on-the-inside crossover SUV that is turning heads with a robust new exterior design and new state-of-the-art safety features. Compact and easy to handle, you'll love the higher seating position and great all-round visibility for more confidence and control.

Powerful elegance.

With its sharp lines and eye-catching proportions, BAYON really stands out from the crowd. Upgraded with robust new design elements, BAYON makes a fresh, dynamic statement with its distinctive crossover look.

On the side, the dynamic shoulder draws the eye into the strong graphic features, the powerful c-pillar form, and the sporty wedge-shaped profile.

The new Seamless Horizon LED Daytime Running Lights harmonise with the enhanced front bumper and radiator grille for a more rugged look.

Distinctive from every angle, the signature arrow-shaped rear combination lamps really put an exclamation point on the expressive exterior.

Refreshed and roomy.

Sophisticated and technologically advanced, the refreshed interior of the BAYON is designed for the digital age.
The high-tech look of the 10.25" digital cluster and 10.25" centre touchscreen screens is complimented by new 64 colour LED ambient lighting.

Featuring excellent legroom and 411 litres of boot space – BAYON stands out in the segment with its style and roominess.

Delivering the comfort and storage space of an SUV, the BAYON features 60:40 foldable rear seats that give you the flexibility to load larger, bulky items as well.

For fast and easy smartphone charging, there's a wireless charging tray in the centre console and USB-C ports in the front and rear.

Get connected in style.

Enjoy state-of-the-art connectivity with dual big screens and split-screen functionality. BAYON's advanced digital cockpit and top-line infotainment features have been made even better, thanks to the introduction of Over the Air (OTA) map and infotainment updates.

Apple CarPlay™ and Android Auto™ are on board as well, so you can mirror your apps, music, and phone layout onto the big screen.*

BAYON is equipped with Bluelink Connected Car Services – delivering seamless connectivity via smartphone app or the 10.25" centre touchscreen display.

Hyundai SmartSense

With its advanced driver-assistance systems and an active safety package with a range of innovative features, the BAYON delivers even more peace of mind.

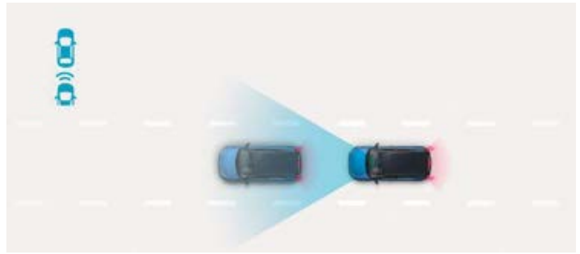
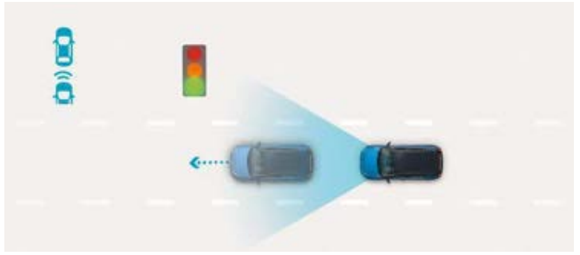
Lane Following Assist provides slight steering inputs to keep the vehicle centred in its lane at speeds between 0 and 180 kilometres per hour on highways and city streets. ◊



The Forward Collision-avoidance Assist system automatically brakes when it detects sudden braking by the car ahead or detects pedestrians or cyclists in your path. ◊



Leading Vehicle Departure Alert informs the driver when the vehicle in front moves from stationary, like at a stop light or in a traffic jam. ◊

*Only available on the Executive Auto model.
