Forward Collision-Avoidance Assist 2 (FCA 2)

Forward Collision-Avoidance Assist 2 (FCA 2) monitors your surroundings and warns you of potential collisions. It assists with emergency braking and avoidance steering to prevent collisions with vehicles, pedestrians and cyclists, whether turning at inter-sections or changing lanes.

Images for reference only.
* FCA2 only available on N-Line upwards.
* FCA1.5 available on Stellar model.

* HDA2 only available on N-Line upwards.
* HDA1 available on Stellar model.

Highway Driving Assist II (HDA 2)

Highway Driving Assist II (HDA 2) enables your car to steer, accelerate and brake automatically with improved control performance and a new steering angle control method. The system now includes a direct Hands-On Detection (HOD) sensor for better recognition of the driver’s grip on the steering wheel.

Blind-Spot Collision-Avoidance Assist (BCA)

Blind-Spot Collision-Avoidance Assist (BCA) warns you if there is a risk of collision with a rear side vehicle in the blind spot while changing lanes. When forward exiting a parallel-parking spot, if there is a risk of collision with a vehicle approaching from behind, it automatically assists with emergency braking.

Images for reference only.

*RSPA2 only available on Platinum model.

Remote Smart Parking Assist 2 (RSPA 2)

Remote Smart Parking Assist 2 (RSPA 2) helps remotely park or exit a parking spot. It automatically assists with steering, accelerating, decelerating and shifting using the vehicle's sensors. It automatically assists with braking when an object is detected in the vehicle's path. You can perform "remote operation" using the smart key when you are outside the vehicle.

Advanced Driver Assistance Systems (ADAS) are designed to provide assistance with the operation of a vehicle, drivers must drive with caution at all times. Functions may not operate depending on the surroundings and driving conditions. Refer to the instruction manual for details. Actual specifications may vary depending on the trim, powertrain and specifications selected.

Colour options and wheels.

19˝ alloy wheels (standard)

20˝ alloy wheels

*19” alloy wheel Standard for Stellar model

*20” alloy wheel Standard for Platinum model

Atlas White

Gravity Gold (Matte)

Dimensions.

Unit: mm

Overall width	1,890
Wheel tread, front (19″/20″ tyres)	1,638/1,628
Wheel tread, rear (19″/20″ tyres)	1,647/1,637

Overall height
1,605

Overall length	4,655
Wheel base	3,000

Specifications.

Classification		2WD Long Range
Electric Motor	Motor type	Permanent Magnet Synchronous Motor (PMSM)
	Max. power (kW)	168
	Max. power (hp)	229
	Max. torque (Nm)	350
Battery	Capacity (kWh)	84.0
	Type	Lithium-ion
On-board charger (OBC)	Max capacity (kW)	7 (1-phase)/10.5 (3-phase)
Charging time	Standard, AC*	7 h 35 min
	Quick charge, up to 80% (50 kW)	~1 h 16 min
	Quick charge, up to 80% (350 kW)	~18 min
Electric energy consumption	combined (kW/100 km)	19″ tyres: 16,04/20″ tyres: 16,99/ 20″ tyres N Line: 17,20
Electric range (WLTP)**	combined (km)	19″ tyres: 570/20″ tyres: 530/ 20″ tyres N Line: 515
Performance		
Max. speed (km/h)		185
Acceleration 0 to 100 km/h (s)		7.5
Weights		
Curb weight (kg)		1,985–2,075/N Line: 2,005–2,085
Payload (kg)		515–605/N Line: 505–585
Gross vehicle weight (kg)		2,590/N Line: 2,590
Roof load (kg)		80

*Based on 3-phase on-board charger (230 V/16 A).

**Consumption and range of a vehicle do not depend only on the efficient use of energy by the vehicle, but are also influenced on driving behaviour, type of tyres and other non-technical factors.

Power your world.

The new IONIQ 5 powers your world with its innovative technologies and enhanced iconic design, upholding the expectation of its award-winning breed. Widen your spectrum of EV experience and discover new possibilities with the upgraded IONIQ 5, powering your tomorrow.

5 YEAR Unlimited Mileage Warranty

8 YEAR Unlimited Battery Warranty

The Hyundai 5-Year Unlimited Mileage Warranty applies only to Hyundai vehicles that have been originally sold by an authorised Hyundai dealer to an end customer, as set out in the terms and conditions of the warranty booklet. 8 years or 160,000 km warranty on vehicle battery unit. Local terms and conditions apply. Contact your official Hyundai dealer for further information.

All the information contained in this brochure is provisional and subject to change without notice and is intended only as preliminary notification. Possible variations in the representation of vehicle colours are due to the limitations of printing technology. The products shown correspond to the offer and the range of equipment for European markets. The vehicles shown in this brochure may be equipped with additional equipment at extra cost, and not all model versions are included in this brochure.
